

RESURRECTION PARISH

Wilmington, Delaware

We are stewards of Christ open to grace along the Way.

Welcome. Be the face of Jesus to foster a welcoming and inclusive Christian community.

Engage. Invite all to give of their time and talents.

Celebrate. Foster worship, Bible Study, personal prayer, and reflection to support the full, conscious and active participation of the assembly as one body of Christ.

Serve. Live the way of Jesus through concrete acts of social justice and peace.

Connect. Foster relationships with faith communities beyond Resurrection.

Core Initiatives

"Sustaining Hope for the Future unites parishes to help those hundreds who have served the Catholic people of the eastern shore of Maryland and those in the state of Delaware. I wholeheartedly support this campaign through my time, prayers, and money because of the many peers I have worked in Catholic Charities, schools, and the staffs of parishes that I have been involved with over the years. It also gives Resurrection an opportunity to raise money that will allow us to catch up on deferred maintenance and new initiatives."

—REV. WILLIAM GRANEY

Resurrection Parish will benefit from the *Sustaining Hope for the Future* campaign by the sharing of campaign funds. 60% of the total goal will go to support the diocese (Lay Employee Pension Plan, Trust for the Welfare and Retirement of Priests, and diocesan ministries) and 40% of the total goal will go directly to Resurrection's needs.

Ministry Development \$23,800

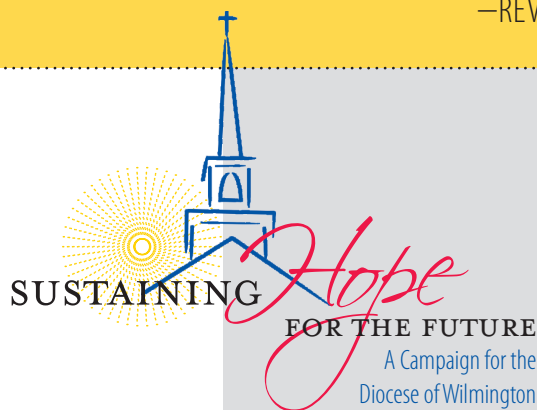

The training of our staff and volunteers is critical to enhancing and carrying out parish ministries. Lay ecclesial minister certificate programs are available through workshops and online webinars

Building Repairs \$140,000

In order to address chronic leaks in the church building, building repairs and new roofing is required. Maintenance to the parish house, parish grounds improvements and church carpeting will also be addressed.

Kitchen Expansion \$55,000

Our parish ministries host many events utilizing our limited kitchen facilities. These events would be greatly enhanced by an upgraded kitchen facility. The parish will explore the options for extent of this upgrade which will improve our capabilities for food storage and preparation.

Diocesan Goal \$328,200

Parish Goal \$218,800

- Ministry Development
- Building Repairs
- Kitchen Expansion

Total Resurrection Parish Goal \$547,000
